WAMEGO FIREWORKS SHOW

"Wamego fireworks are awesome!!!"

JESSICA BERRY, SCOTT CITY, KS

*"It's amazing!
The whole show looks like the finale,
they shoot off tons of fireworks!"*

SUE KOLLHOFF, ABILENE, KS

*"Well worth the trip!
We go every year."*

MIKE PRUSS, MANHATTAN, KS

What time should I get to Wamego?
There are activities starting at 9:00 in the morning – the carnival is in town, there are car and tractor shows, and the parade starts at 6:00pm.

What time should I arrive for fireworks?
We recommend coming right after the parade – between 7:30pm and 8:00pm – to find a great spot, enjoy the sunset and the musical entertainment at the recreation complex. At the very latest, plan on being on-site by 9pm, though it's much easier to find a place to park earlier. Any later and you'll be looking for a parking spot with thousands of others. The show starts at 10:00pm

How long is the show?
The show lasts 30 minutes and 29 seconds. Most people say it is like a non-stop finale, so get ready to be overwhelmed with sky saturating action and lots of noise!

What should I bring?
- coolers (no alcohol on city property)
- blankets – and a waterproof tarp to keep the blanket dry
- lawn chairs
- Frisbee
- picnic basket
- bug spray
- ear plugs for sensitive ears (get ready for lots of loud boomers and crackling shells!)

Where do I park?
Parking spots (including handicapped parking) fill up quickly, so come early! Recreation complex parking is reserved for show sponsors, and there are several lots nearby on Balderson Blvd – see map on reverse. Once the lots are full, parking is available along city streets. You may have to walk quite a few blocks, but it is worth the effort. For more information about sponsoring the fireworks show, visit: www.WamegoFireworks.com

RAINDATE:
Any changes to the July 4th show will be posted online at www.WamegoFireworks.com and on our facebook page.
If there is a rain date, it will be Friday July 5th.
